Office of Legislative Counsel

Friday - 22 August 1958

Chatted with Harry Carter and Clive DuVal of USIA about an appropriate letter from USIA to GSA concerning possible utilization of two transmitters by USIA. This information had been requested by the Senate Committee on Government Operations in their letter to GSA. Mr. DuVal later in the day read me a revised draft of his letter which I thought was satisfactory.

Walter Reynolds, Chief Clerk, Senate Government Operations Committee, telephoned to advise that letters of approval have been received from Senate Armed Services and Senate Foreign Relations and, consequently, a letter was going forward from Senate Government Operations withdrawing any objection to the transfer of the two transmitters. Presumably that letter will go to GSA. IO and Logistics have been advised.
